

VINwiki, Inc. Privacy Policy

Last Modified: May 10, 2016

This website and any other websites or mobile applications that link to or reference this Privacy Policy (the "Site") is operated by VINwiki, Inc. ("VINwiki" or "we"). VINwiki respects your privacy and wants you to know what information we collect from you ("Personal Information"), when and how we may use your Personal Information, the measures we take to protect your Personal Information, and the choices you have regarding your Personal Information collected on this website (collectively, the "Site").

This Privacy Policy sets forth our practices with respect to your Personal Information on the Site. By using the Site, you consent to the terms set forth in this Privacy Policy and to the transfer of certain data to our servers.

Any links found on the Site to websites maintained by anyone other than VINwiki are not governed by this Privacy Policy. Should you have any questions regarding the use of your Personal Information on those websites, we urge you to view that website's privacy policy.

How is Personal Information collected?

VINwiki may collect Personal Information in a variety of ways, including: (1) directly from you, (2) from the Site's server logs, (3) through the use of cookies, and (4) other sources (such as databases, joint marketing partners, and social media platforms).

How is Personal Information used?

This Personal Information is used and shared with other entities affiliated with VINwiki for business, administrative, analytical, research, operational purposes, such as administering and improving the Site, processing your payments, advertising and marketing, customer service, analyzing and managing the organization, market research, and improving our services.

As noted above, third parties who place advertisements on this website, and other service providers may collect and use information about your visits to and use of this Site through the use of cookies, web beacons and other similar technologies. We may work with third-party advertising companies that use cookies and web beacons to (1) serve advertisements when you come to the Site and to generate statistics and metrics related to the delivery of such advertisements, or (2) collect non-personally identifiable information about your visits to and interactions with this Site and other websites in order to provide targeted advertisements about goods and services of interest to you across their networks of websites (which may or may not include this Site). These third parties also may use this information for determining or predicting the characteristics and preferences of their respective advertising audiences, for measuring the effectiveness of their advertising and for other purposes. Also, our third-party service providers may use information (not including your name, address, email address or telephone number) about your visits to this and other websites, mobile websites and/or mobile applications across your various devices, in order to provide content and advertisements about goods and services of interest to you across those various devices. If you would like to obtain more information about the practices of some of these parties, or if you would like to make choices about their use of your information, please click here: <http://www.aboutads.info/choices/>

Personal Information you provide to VINwiki through the Site, or by any other means may be stored and processed in any country where we or our service providers have facilities. By using the Site, you consent to the transfer of your Personal information to countries outside of your country of residence, including the United States, whose data protection rules may differ from those in your country of residence.

Information Provided Directly by You

When visiting the Site and accessing or using its products or services, you may be asked to provide certain Personal Information, which could include your name, address, telephone number, email address and financial information necessary to process your request. This information will be kept in a database for future reference, as needed. We may use this information to contact you with offers regarding products or services from VINwiki. If you wish to opt out or unsubscribe, please contact us at the address below.

VINwiki may also ask you to provide information such as your name, address, telephone number and email address for customer support or to resolve any technical issues that you may have with the Site. This information will help us to improve the Site for you and other users.

Server Logs

VINwiki may track certain information regarding your visit to the Site, and store the information in our servers. This information is captured electronically and may include:

- Your IP address

- The name of your internet service provider (ISP)
- Where you access the Site from
- The links you visit from the Site and pages you view
- The frequency of your visits to the Site including the date and time
- Any searches on the Site
- Requests submitted through the Site

Cookies

VINwiki may also utilize cookies to customize your experience on the Site and store certain information about you. Cookies are small pieces of data that are sent to your hard drive from our server to help you navigate the Site and save your preferences. Although most internet browsers are set up to accept cookies, you may set up your browser to notify you of cookies or refuse to accept them. Please note that not accepting cookies may affect some of the Site's functionality.

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer your Personal Information to unaffiliated outside parties, except as follows: (1) to our subsidiaries, affiliates, sponsors, partners, advertisers and third party service providers for the purposes described in this Privacy Policy; (2) when we believe release is appropriate to comply with the law, enforce our Site policies, or protect ours or others rights, property, or safety, or (3) to a third party in the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with any bankruptcy or similar proceedings).

What security measures do we take?

We use reasonable organizational, technical and administrative measures to protect your Personal Information under our control. Unfortunately, no transmission of information over the Internet or other storage system can be guaranteed to be 100% secure. If you have believe that your interaction the Site is no longer secure, or that your Personal Information is at risk, please notify us of the problem immediately using the contact information listed below (please note that there may be delays should you contact us by mail).

What about the use of the Site by visitors under the age of thirteen?

This Site is not directed to individuals under the age of thirteen (13), and we request that visitors to the site under the age of thirteen (13) not provide any Personal Information.

Privacy Policy Changes

Any changes to our Privacy Policy will be posted to this Site. All changes are effective as of the date we post the revised Privacy Policy to this Site. Usage of this Site indicates acceptance of any revised Privacy Policy.
